Investment Planning Geoffrey Hirt, Stanley Block, Somnath Basu

In *Investment Planning*, two of the best-known authors in the investment planning field, Geoffrey A. Hirt and Stanley B. Block, have joined forces with finance expert, Somnath Basu, to show financial planners how to successfully manage their clients' investments consistent with their personal objectives and levels of risk tolerance.

This landmark book carefully explains the essential theory required to understand how financial markets work and describes step by step how best to diversify and balance a portfolio of investments to reduce risk and increase expected returns.

Ranging from fixed-income securities, common and preferred stock, and mutual funds...to options, futures, derivatives, and other investment vehicles, *Investment Planning* cuts through the complexities of today's burgeoning financial landscape with clear, concise accounts of:

Taxation of investment vehicles An excellent resource for preparing for the Certified Financial Planner (CFP) exam, this comprehensive reference also includes real-world case studies and listings of investment websites in each chapter plus a broad array of at-a-glance charts and tables. Authoritative and completely up-to-date, *Investment Planning* now offers professionals all the tools, techniques, and guidance they need to seize new opportunities in the financial marketplace and maximize returns on their clients' investments!

From reader reviews:

Teresa Ealy:Nowadays reading books be a little more than want or need but also get a life style. This reading practice give you lot of advantages. The benefits you got of course the knowledge the particular information inside the book which improve your knowledge and information. The knowledge you get based on what kind of reserve you read, if you want attract knowledge just go with schooling books but if you want feel happy read one together with theme for entertaining including comic or novel. Often the Investment Planning is kind of publication which is giving the reader unforeseen experience.

Douglas Barney:Exactly why? Because this Investment Planning is an unordinary book that the inside of the guide waiting for you to snap this but latter it will shock you with the secret it inside. Reading this book alongside it was fantastic author who write the book in such incredible way makes the content inside easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you for not hesitating having this nowadays or you going to regret it. This phenomenal book will give you a lot of advantages than the other book have got such as help improving your talent and your critical thinking means. So , still want to hold up having that book? If I ended up you I will go to the reserve store hurriedly.

Tina Wilson:Investment Planning can be one of your basic books that are good idea. Many of us recommend that straight away because this book has good vocabulary that may increase your knowledge in language, easy to understand, bit entertaining however delivering the information. The author giving his/her effort to place every word into pleasure arrangement in writing Investment Planning although doesn't forget the main level, giving the reader the hottest along with based confirm resource information that maybe you can be certainly one of it. This great information can certainly drawn you into new stage of crucial contemplating.

John Bonilla:Your reading 6th sense will not betray you actually, why because this Investment Planning guide written by well-known writer we are excited for well how to make book that may be understand by anyone who else read the book. Written within good manner for you, still dripping wet every ideas and composing skill only for eliminate your own personal hunger then you still doubt Investment Planning as good book not simply by the cover but also by content. This is one guide that can break don't determine book by its cover, so do you still needing one more sixth sense to pick that!?! Oh come on your reading sixth sense already said so why you have to listening to one more sixth sense.
