**La conquista de la felicidad (Spanish Edition) Bertrand Russell**

## **La felicidad ¿es un estado o una búsqueda?**

Esta obra afirma que lo segundo: el ser humano se debe mostrar activo en la eliminación de las trabas al despliegue de la felicidad, comenzando por eliminar esas pasiones egocéntricas que son la envidia, el miedo o la conciencia de pecado y reforzando las que impulsan hacia fuera de sí mismo, que invitan a sentirse parte de la corriente de la vida: «Cuanto más cosas interesen a alguien, más oportunidades de felicidad tendrá», afirma, para concluir que el ser feliz es el que se siente ciudadano del universo "y goza libremente del espectáculo que le ofrece y de las alegrías que le brinda". Una obra de autoayuda... si no fuera porque se trata de un proyecto, de raigambre estoica, de repensar el ser humano y su posición en el mundo.
