Remember Me Margaret Thornton

1907. William Moon's heart swells with pride at the achievements of his daughter, Maddy. When, at eleven, she won the talent contest held by the Pierrots on Scarborough beach, William knew it wouldn't be long before she asked to join their touring company. Now that day has come; his talented young daughter has grown into a fine young woman - beautiful, and with a voice so pure it would make angels weep. And William isn't the only man to notice... As Maddy journeys around the north of England with Morgan's Melody Makers, she makes new friends everywhere she goes. Now seventeen, she is eager to take her first steps along the road to love. But, as she is to discover, the course of true love never did run smooth, and her heart is taken on a bumpy ride as she experiences the highs and lows, the rapture and the heartache, of falling in love for the first time. Will her dreams of romance and happy ever after come true?
