## **Shifter Planet** D.B. Reynolds

Specialist Amanda Sumner is one of the first to make contact on the Earth-like planet Harp and discovers she's the only Earthling, who can hear the trees sing in the strange forest. Determined to remain and learn more of the planet's secrets, Amanda sets out to become part of the elite Guild there...

But there is a secret involving some Guild members—one that could get her killed.

Shifter Rhodry de Mendoza wants the Earthlings off his planet before they destroy it—even if that means denying what he feels for the fierce and lovely Amanda. The pair is thrown together in what becomes a fight for their lives. And they might just lose everything—including each other—in their battle for the right to live in peace.

### From reader reviews:

#### **Anthony Laflamme:**

In this 21st century, people become competitive in every way. By being competitive today, people have to do something to make these people survive, being in the middle of the particular crowded place and notice by surrounding. One thing that sometimes many people have underestimated that for a while is reading. That's why, by reading a publication your ability to survive enhance then having chance to stay than other is high. To suit your needs who want to start reading the book, we give you that Shifter Planet book as beginning and daily reading reserve. Why, because this book is usually more than just a book.

#### **Charles Anthony:**

Information is provisions for those to get better life, information currently can get by anyone from everywhere. The information can be a understanding or any news even an issue. What people must be consider any time those information which is in the former life are difficult to be find than now is taking seriously which one would work to believe or which one typically the resource are convinced. If you receive the unstable resource then you understand it as your main information we will see huge disadvantage for you. All those possibilities will not happen in you if you take Shifter Planet as the daily resource information.

#### **Betty McClanahan:**

People live in this new moment of lifestyle always attempt to and must have the time or they will get large amount of stress from both way of life and work. So , when we ask do people have free time, we will say absolutely yes. People is human not just a robot. Then we consult again, what kind of activity have you got when the spare time coming to a person of course your answer may unlimited right. Then ever try this one, reading books. It can be your alternative in spending your spare time, the book you have read is actually Shifter Planet.

#### **Eleanor Hotchkiss:**

As we know that book is vital thing to add our understanding for everything. By a guide we can know everything we want. A book is a group of written, printed, illustrated or perhaps blank sheet. Every year had been exactly added. This e-book Shifter Planet was filled regarding science. Spend your free time to add your knowledge about your science competence. Some people has different feel when they reading any book. If you know how big advantage of a book, you can truly feel enjoy to read a guide. In the modern era like today, many ways to get book which you wanted.
