Theorizing Foreign Policy in a Globalized World (Palgrave Studies in International Relations)

Theorizing Foreign Policy in a Globalized World (Palgrave Studies in International Relations)

In an increasingly globalized world, the classic images of foreign policy as a political practice conducted by sovereign states has become increasingly inadequate. However, rather than tackling the transformation of foreign policy as a process of both scholarly and immediate political interest, foreign policy analysis and International Relations theory have become separate fields of study over the past decades, co-existing in a state of mutual and more or less benign neglect. In *Theorizing Foreign Policy in a Globalized World*, prominent authors address this issue, offering solutions to the analytical deadlock that are both provocative and innovative.
