## **Legends And Reality Of The AK: A Behind-The-Scenes Look At The History, Design, And Impact Of The Kalashnikov Family Of Weapons** Charlie Cutshaw, Valery Shilin

There are many excellent books about the AK. What makes Legends and Reality of the AK-47 different from all the other AK books? It is co-written by a very close associate of designer Mikhail Kalshnikov at the Izhmash Arms Factory and one of America's most respected military small-arms experts. Because of Valery Shilin's close ties to both the designer and the factory, the authors were able to gain access to information, photos and weapons never before seen in public, including the AKB and AKB-1 assault rifles, the mysterious A-62 and the very latest prototypes of the AK's replacement, the AN-94. They fill in the gaps in the knowledge about the history and development of not only the Kalashnikov family of weapons but of other Russian small arms as well. Most important, as a friend and colleague, Shilin adds a personal perspective on the man behind the design of some of the most legendary weapons of the 20th century.

Oh come on your studying sixth sense already told you so why you have to listening to a different sixth sense.

#### **Jonathan Hickman:**

As a pupil exactly feel bored to be able to reading. If their teacher inquired them to go to the library in order to make summary for some e-book, they are complained. Just minor students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading really. Any students feel that reading through is not important, boring as well as can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Legends And Reality Of The AK: A Behind-The-Scenes

Look At The History, Design, And Impact Of The Kalashnikov Family Of Weapons can make you feel more interested to read.
