## Quarter Square (Wild Times) David Bridger

English carpenter Joe Walker thinks his life is over when he discovers his wife and best friend having an affair. Restoring an abandoned theatre offers little hope for a fresh start...until he follows a group of strangers through a hidden door into a world he never could have imagined.

In the haven known as Quarter Square, Joe encounters a community of supernatural street performers who straddle the mortal world and the magic realm known as the Wild. Here, Joe finds a sense of belonging he's never known before—and a chance to uncover the truth behind the frightening visions that have haunted him since childhood. He also meets Min, an enchanting singer who quickly captures his heart.

But as Joe settles into Quarter Square, he learns their haven is under attack, while an ancient enemy threatens to tear him and Min apart. Now, Joe must learn to wield his *own* powers in order to save the life he's come to love...
