Sports in World History (Themes in World History)

David G. McComb

Sports in World History (Themes in World History) David G. McComb

This lively and clear survey provides a wide-ranging overview of the history of modern sports, covering such topics as:

- why human beings are athletes
- how the major modern sports came about and how they spread throughout the world with the help of enthusiastic individuals, sports organizations, the YMCA and the Olympic movement
- discussions of some of the most popular of the 300 modern world sports including: soccer, basketball, baseball, cricket, table tennis, tennis, Formula One racing, golf, swimming, skiing, volleyball, track and field, boxing, judo and cycling
- the history of both western and non-western sports in depth, as well as the increasing globalization of sports today
- the challenges facing the world of sports today, such as commercialization and the use of performance-enhancing drugs.

Sports historians and cultural studies students will all find this book gives a fascinating and invaluable insight into the world of sport through history.

From reader reviews:

France Brown:

What do you regarding book? It is not important with you? Or just adding material when you want something to explain what yours problem? How about your time? Or are you busy man? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have time? What did you do? Every individual has many questions above. They should answer that question since just their can do in which. It said that about book. Book is familiar on every person. Yes, it is right. Because start from on pre-school until university need this kind of Sports in World History (Themes in World History) to read.

Vincent Erickson:

In this time globalization it is important to someone to find information. The information will make anyone to understand the condition of the world. The health of the world makes the information better to share. You can find a lot of referrals to get information example: internet, newspaper, book, and soon. You will observe that now, a lot of publisher that will print many kinds of book. The particular book that recommended to you is Sports in World History (Themes in World History) this reserve consist a lot of the information of the condition of this world now. This kind of book was represented how do the world has grown up. The language styles that writer use to explain it is easy to understand. Typically the writer made some study when he makes this book. That is why this book appropriate all of you.

John James:

As a student exactly feel bored in order to reading. If their teacher asked them to go to the library in order to make summary for some publication, they are complained. Just very little students that has reading's heart and soul or real their hobby. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that looking at is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Sports in World History (Themes in World History) can make you truly feel more interested to read.

Paul Simpson:

Some individuals said that they feel uninterested when they reading a publication. They are directly felt the idea when they get a half areas of the book. You can choose often the book Sports in World History (Themes in World History) to make your own reading is interesting. Your personal skill of reading ability is developing when you just like reading. Try to choose simple book to make you enjoy to see it and mingle the sensation about book and looking at especially. It is to be initially opinion for you to like to open a book and learn it. Beside that the book Sports in World History (Themes in World History) can to be your brand new friend when you're sense alone and confuse using what must you're doing of this time.
