## **The Political Spirit: 1** Faisal Malick

Author Faisal Malick uncovers political propaganda masquerading as a quest for the greater good, and unmasks the political spirit behind Islam. The Political Spirit is a sobering, straight forward book that exposes the truth of power and politics. It uncovers the facade of corrupt governing systems and religious hypocrisy by showing you what really drives people to lose their moral compass in the pursuit of power. The political spirit forges alliances with religious and Jezebel spirits to forward a hideous hidden agenda. You can learn to recognize, resist, and defeat The Political Spirit.
