## **The Scorpion God: With an introduction by Craig Raine** William Golding

The three short novels in this collection, *The Scorpion God*, show Golding at his playful, ironic and mysterious best. In 'The Scorpion God' we see the world of ancient Egypt at the time of the earliest Pharaohs. 'Clonk Clonk' is a graphic account of a crippled youth's triumph over his tormentors in a primitive matriarchal society. And 'Envoy Extraordinary' is a tale of Imperial Rome where the emperor loves his illegitimate grandson more than his own arrogant, loutish heir.
