Alif el invisible (Spanish Edition) Willow Wilson

Empieza con un libro, un libro del que se había perdido el rastro hace siglos...

Empieza con un joven que se enamora. Pero es un amor que no tiene futuro...

Empieza con un final.

Se hace llamar Alif. Pocos son los que conocen el nombre real de este joven hacker que se crió en una ciudad de Oriente Medio, un lugar que tiene un pie en la era moderna y otro en la antigüedad. Alif creía haber encontrado el gran amor, pero los padres de ella han concertado su matrimonio con un príncipe.

Un enigmático libro titulado *Los mil y un días* acaba en manos del joven, que descubrirá que es un portal hacia otra realidad: un mundo que tiene su origen en una época muy lejana, cuando imperaba la magia antigua y los míticos djinn caminaban entre nosotros... Así empieza una trepidante aventura que llevará a Alif por las calles destaraladas de una vibrante metrópoli en plena ebullición social. En el punto de mira de todos, Alif se convierte en un fugitivo. Y está a punto de desatar una fuerza destructiva que lo cambiará todo, empezando por él mismo.

Sorprendente y extraordinario, Alif el invisible mezcla la emoción de una rocambolesca aventura de fantasía urbana y la frescura del cyberthriller con el encanto de la mitología del Oriente Medio.

Reseñas:

«Una exuberante fábula que inquieta, emociona y posee un atractivo universal.»

The New York Times

«Una excelente novela que desbanca géneros tan fácilmente como sus personajes saltan de una realidad a otra.»

Library Journal

«[Wilson] guía la energía de la Primavera Árabe hasta una fantasía urbana en la que coloca a djinns en la era digital.»

Booklist

«Una novela intensa y culta en la que se plasma un diálogo entre la tradición y la modernidad, la fe y la falta de fe, los cuentos de hadas y la realidad urbana. (...) Wilson se inspira en el folclore islámico (...) para narrar una historia acerca de la opresión estatal, la resistencia y la esperanza.»

The Guardian
