Ancient Antioch: From the Seleucid Era to the Islamic Conquest

Andrea U. De Giorgi

Ancient Antioch: From the Seleucid Era to the Islamic Conquest Andrea U. De Giorgi

From late fourth century BC Seleucid enclave to capital of the Roman east, Antioch on the Orontes was one of the greatest cities of antiquity and served as a hinge between east and west. This book draws on a century of archaeological fieldwork to offer a new narrative of Antioch's origins and growth, as well as its resilience, civic pride, and economic opportunism. Situating the urban nucleus in the context of the rural landscape, this book integrates hitherto divorced cultural basins, including the Amuq Valley and the Massif Calcaire. It also brings into focus the archaeological data, thus proposing a concrete interpretative framework that, grounded in the monuments of Antioch, enables the reader to move beyond text-based reconstructions of the city's history. Finally, it considers the interaction between the environment and the people of the city who shaped this region and forged a distinct identity within the broader Greco-Roman world.

From reader reviews:

Deborah Brantley:

Why? Because this Ancient Antioch: From the Seleucid Era to the Islamic Conquest is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will distress you with the secret the item inside. Reading this book beside it was fantastic author who also write the book in such incredible way makes the content inside of easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you for not hesitating having this any longer or you going to regret it. This book will give you a lot of rewards than the other book include such as help improving your expertise and your critical thinking approach. So , still want to hold off having that book? If I had been you I will go to the e-book store hurriedly.
