Glass Soup

Jonathan Carroll

Glass Soup Jonathan Carroll

For connoisseurs of imaginative fiction, the novels of Jonathan Carroll are a special treat that occupy a space all their own. His surreal fictions, which deftly mix the everyday with the extraordinary, have won him a devoted following. Now, in *Glass Soup*, Carroll continues to astound

The realm of the dead is built from the dreams--and nightmares--of the living. Octopuses drive buses. God is a polar bear. And a crowded highway literally leads to hell.

Once before, Vincent Ettrich and his lover, Isabelle Neukor, crossed over from life to death and back again. Now Isabelle bears a very special child, who may someday restore the ever-changing mosaic that is reality. Unless the agents of Chaos can lure her back to the land of the dead--and trap her there forever. *Glass Soup* is another exquisite and singular creation from the author *January* magazine described as "incapable of writing a bad book much less an uninteresting one."
