Jesse Livermore: World's Greatest Stock Trader (Wiley Investment) Richard Smitten

"An excellent read."

—Ace Greenberg, Chairman, Bear Stearns

Richard Smitten's *Jesse Livermore* is the first full biography of the legendary trader profiled in the bestselling *Reminiscences of a Stock Operator* (Wiley: 0-471-05970-6). Although he died more than half a century ago, Livermore is considered by today's top traders as the greatest trader who ever lived. An enigmatic loner, misanthrope, and notorious miser, Livermore revolutionized the profession with his innovative timing techniques, money management strategies, and high-momentum approach to trading stocks. Smitten provides a vivid portrait of Livermore and the times in which he lived and operated. He deftly combines eyewitness accounts of those who knew Livermore with fascinating stories of sensational love affairs, shootings, and suicides, and a detailed exploration of the trading strategies that made Livermore several fortunes in his lifetime.

Richard Smitten (Key West, FL) is the author of several books, including *The Godmother*, the critically acclaimed story of a famous woman criminal.

Pamela Stanley:

As a college student exactly feel bored to be able to reading. If their teacher questioned them to go to the library or to make summary for some publication, they are complained. Just small students that has reading's internal or real their interest. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that looking at is not important, boring in addition to can't see colorful pics on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Jesse Livermore: World's Greatest Stock Trader (Wiley Investment) can make

you sense more interested to read.
