**For readers of Santa Montefiore and Victoria Hislop, a gripping story of passion and family secrets set in a glorious Tuscan villa**

When Carrie Stowe unexpectedly inherits her eccentric grandmother's Italian villa, she sets her heart on going to Tuscany. It could be her only escape from the mundane and suffocating routine of life with Arthur, her repressive husband.

Arriving late at night and in the midst of a violent storm, she discovers that she is not alone. A young man is there before her, an enigmatic figure from the past: her cousin Leo, who had been missing for years, believed dead.

As Carrie reads the secrets of her grandmother's diaries and the enchantment of the house exerts itself, Carrie finds herself irresistibly drawn to him. But what of her husband? And is Leo really who he appears to be?
