From Book 1:

The darker side of his nature just can't let her go.

Chronicles of the Fallen, Book 1

Born of heaven, forged in hellfire and damnation, Xander roams the Earth as an unlikely protector of the innocent. Grudgingly embroiled in a demon uprising, Xander must help his brothers-in-arms recover four Sacred Relics rumored to be Lucifer's downfall.

The stakes are simple. If he fails, a new regime will assume control of the underworld and the boundaries between hell and earth will crumble. If he succeeds, long-awaited salvation could be his. But when a beautiful innocent is caught in the crossfire, the price of redemption could be too steep.

Kyanna Hughes is a hereditary Guardian, sworn to protect a sacred Relic at all costs. From the cradle, she was taught to hate all things demon, but her unwanted attraction to Xander turns everything she's been taught upside down.

The danger she faces involves more than her heart. For Kyanna is not only a Guardian, but a Keeper of Secrets so dangerous, that to keep them out of demon hands even the angels in heaven would see her dead...

Warning: Contains a demon with a notoriously single-minded determination to save the world, and a sworn enemy for whom he will risk eternal damnation. And so begins the journey of six fallen demons and the women who capture their hearts...
