## **El manual para escribir bien (Spanish Edition) Algarabía libros**

Este manual constituye una aventura profunda y lúdica del estudio del lenguaje. Así lo percibirá, si recorre las páginas de este volumen, el cual nos regala —como si fueran golosinas— temas lingüísticos sustanciales; cápsulas ortográficas en dosis exactas; disertaciones varias acerca de cómo escribir bien, además de otros temas de interés innegable: ¿por qué el gerundio es tan temido?, ¿la supresión de los signos de interrogación o admiración al inicio de una oración es incorrecta?, y ¿será verdad que el punto y coma está desapareciendo?
