## **Great Military Blunders** Geoffrey Regan

From ancient times to the Bay of Pigs and the Falklands War, military history has been marked as much by misjudgements and incompetence as by gallantry and glory. Such blunders have sometimes ended in tragedy, sometimes in farce - such as the English troops, supposedly marching on Cadiz in 1625, who instead got drunk in a salt marsh. And sometimes they have ended in triumph, despite all the odds. In this fascinating and entertaining collection, author Geoffrey Regan not only recounts some of the staggering stories, but also highlights the kinds of difficulties that can lead to military disaster. His anecdotes encompass every aspect of warfare from the insanity of commanders to the provision of inadequate supplies. This entertaining and instructive book will appeal to the military buff and general reader alike.

Oh come on, that will not end up to happen if you have this with your hand. The Enjoyable agreement here cannot be questionable, similar to treasuring beautiful island. Techniques you still want to miss it? Find this book along with read it from today!

#### Lena Lewis:

As a student exactly feel bored to reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just very little students that has reading's heart or real their hobby. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading is not important, boring as well as can't see colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Great Military Blunders can make you really feel more interested to read.
