One woman knows the baking business, one woman can organize. Together they become rich. They raise their Black and white families with love and intelligence. Equality and justice prevail, until lowlife scumbuckets step in and turn the two women's lives upside down. Through love, laughter, church ladies and gentlemen, streaking, cancer, a tearjerker funeral, the seeking of justice, and a white suit, *Imitation of Life: the Next Millennium* is a 21st century version, of a 1930s, uncomfortable America.
