## **Prodigium - I figli degli elementi (Elfheim) (Italian Edition)** Francesco Falconi

Quattro ragazzi si aggirano tra i vicoli di Synapsis, antica metropoli dai mille misteri. Sono ragazzi dall'indole differente ma accomunati da due caratteristiche: la solitudine e la coscienza di sentirsi speciali e diversi dai loro coetanei. Alyssa sa muoversi a velocità straordinaria ed è capace di lanciare lingue di fuoco. Dafne riesce a spostare gli oggetti con la forza del pensiero. Ryan sa mutare in animale il proprio corpo. Kaleb infine conosce alla perfezione la magia. Per loro è giunto il momento di seguire il proprio destino e, assieme ad altri sessanta ragazzi, saranno chiamati a conoscere gli enigmi della lontana isola di Eterium, dove, all'interno della gigantesca Pagoda di Theorica, impareranno a conoscere loro stessi e i propri poteri sotto la guida della Conclave.

Ma complotti e misteri si agitano nel cuore della Pagoda, nell'attesa che la Profezia della Laude Elementale si avveri. La Conclave si pone così una missione: fermare il male che dilaga per rispettare il patto con le Entità della Laude Elementale, mentre la Congrega dei Sommersi trama nelle tenebre dell'Acropoli delle Ombre, pronta a far risorgere gli Dèi sepolti, i Pilastrini di Silicio. Synapsis sta per essere sconvolta dalla genesi di nuove creature. Le porte di una nuova era di terrore stanno per spalancarsi. Un'unica salvezza: i quattro ragazzi, i Prodigium.
