CAUTION: This Could be Your Daughter

Testing the Waters is the coming of age of Elizabeth Jeter. It candidly reveals the provocative and secret world of planned teenage pregnancy and the brutal consequences that follow. Popular. Driven. The girl next door.

Once upon a time a beautiful teenager looked forward to school letting out and the warm, carefree days to come. But in the summer of her fifteenth year, things would drastically change. After reading a romance book sensationalizing a young woman's perfect life following the hookup with a wealthy prince charming, Elizabeth set out to create her own fairy tale ending. This would become the beginning of the darkest hour in her life.

Pregnancy. Bridesmaids. Jail.

If you are this girl, you will take a deep breath and nod your head knowingly. If you knew this girl, you will rethink your assumptions. If this girl is your daughter, you will finally get an insider's look at what she can't put into words.

Above all, you will be moved. Moved to tears, to unity, to action. Elizabeth is one of the lucky ones. She survived. Sadly, many young women and their children are unable to escape the madness and become grave statistics. Not everyone gets a second chance and she hopes to inspire others with her straightforward honesty.
