**And One to Die On (The Gregor Demarkian Holiday Mysteries Book 13) Jane Haddam**

**At an aging starlet's birthday, a Hollywood murder mystery debuts**

Actress Tasheba Kent was famous before movies could talk, and stayed that way well after the silent era died. When her sister took a mysterious plunge off a cliff, the silver-screen beauty turned tragedy into scandal by running off with her bereaved brother-in-law. To escape the outraged press, they retreated to a rocky island off the coast of Maine. Decades later, Tash remains a symbol of Golden Age beauty, but she is about to become a murder victim.

To celebrate her hundredth birthday, Tash invites the press, some fans, and ex-FBI agent Gregor Demarkian to her island for a memorabilia auction. When their host dies from a brutal blow to the head, the group flies into a panic. Though cut off from the mainland, Demarkian will catch Tash's killer with enough panache to make any screen siren proud.
