Broken Prey (Lucas Davenport) John Sandford

Lucas Davenport confronts a living nightmare, in one of the scariest Prey novels yet from the number-one bestselling author.

The "Big Three" are a trio of inmates locked up in the Minnesota Security Hospital over the years, each a particularly vicious serial killer, each with his own distinct style and propensities. Everybody feels much safer knowing that they're behind bars. Except . . . there's a new killer on the loose. And his handiwork bears a disturbing resemblance to some of the finer points practiced by the Big Three, details that never even made the papers.

Davenport and his team quickly home in on a possible suspect, a man named Charlie Pope, who was released from the same hospital prison a few weeks earlier, and who now seems to have cut himself free from his court-imposed ankle bracelet and disappeared. But is he really the one? And why do the Big Three look so agitated?

Brilliantly suspenseful, consistently surprising—once again, Sandford has outdone himself.
