Only a Woman: There's a Hero in the Heart of Every Woman Terri Mcfaddin

Only a Woman deals with the felt need among women for surrender, growth, and service to the Lord. National conference speaker Terri McFaddin brings a motivational message for women to seek a deeper relationship with God by taking "radical action" for Him. While other books are centered around comforting and healing women, McFaddin recounts examples of women who reached beyond the traditional practice of Christianity "into biblical extremes designed to bring power, healing, and deliverance" to their lives -- and the lives of all around them. "Sooner or later you will find yourself searching for answers that can't be found at choir rehearsals and garden parties," says McFaddin, who offers clear answers here.

From the Trade Paperback edition.
