Holly Jenkins watched her best friend finally get her happily ever after. While there's no one more deserving than Avery Jackson, Holly can't fight the longing and ache that settles in her chest when she thinks about her own solitary life. After kissing so many frogs, Holly starts to wonder if Prince Charming even exists. Jase Bentley is worn out. As lead singer of the award winning rock band, Bent, Jase has everything he could possibly ever want at his fingertips. When you're on top, the music industry moves everything within arm's reach; money, fame, and women just ripe for the plucking. Everything except for the one thing he's really looking for. The one dream he can't seem to make come true. What happens when two people from different worlds meet and are thrust into unfamiliar and unsettling territory? Can Holly navigate the demands of dating someone with a high profile profession? Can Jase walk away from the only lifestyle he's ever known for the first woman who's ever made him want to? Promises are made, but can they keep them? \*This book is a novella. 36,000 words. \*\*Can be read as a standalone but would be better enhanced to read in order with the series as characters and events cross over. \*\*\*For mature audiences due to graphic sex scenes and language.
