## Salvation Boulevard: A Novel Larry Beinhart

Some cases test a private investigator's wits, others test his courage, and still others, his character. In *Salvation Boulevard*, P.I. Carl Van Wagener has found a case that tests them all, and then goes on to test his soul. A professor is dead and a suspect—who has confessed—is in custody. But nothing is what it seems. After all, the dead man is an atheist professor, the accused an Islamic foreign student, the defense attorney a Jew, and the detective a Born Again Christian. As Carl gets deeper and deeper into the investigation of the death of professor Nathaniel MacLeod, his most basic beliefs and relationships are tried and his world is turned upside down. The mega-church, the pastor, and his new wife who have redeemed Carl from a life of grim debauchery insist on his dropping the case. But he can't stop searching for the real killer and the truth—no matter what the personal cost.

*Salvation Boulevard* is a page-turning thriller in the tradition of John Grisham and Richard Condon that grapples with the ecstatic and entropic nature of religious faith in contemporary America.
