Secrets of Eden (4 Book Series) Andrea Laurence

From Book 1:

There's always room to negotiate.

When Wade Mitchell finds himself face-to-face with Victoria Sullivan, he has to reconsider his usual tactics. Wade needs to buy something she owns, and he needs it now. Since he and Tori have enough heat to melt ice, it should be a done deal.

But melting Tori's resolve is a harder task. She's not giving in to the man who fired her seven years ago. Yet Wade has to keep trying, because if he doesn't, he risks exposing a secret that could destroy his family. When all proper negotiation fails, seduction may be his only option.
