The Warren Commission Report: A Graphic Investigation into the Kennedy Assassination

Dan Mishkin

The Warren Commission Report: A Graphic Investigation into the Kennedy Assassination Dan Mishkin

Within days of the murder of President John F. Kennedy, Lyndon B. Johnson appointed a seven-member commission to investigate the assassination. In its report, the Warren Commission determined that there was "no credible evidence" conflicting with its conclusion of a lone gunman. Artist Ernie Colón, bestselling illustrator of *The 9/11 Report: A Graphic Adaptation*, teams up with author Dan Mishkin to provide a unique means of testing the commission's findings, unraveling conflicting narratives side by side through graphic-novel techniques. *The Warren Commission Report: A Graphic Investigation into the Kennedy Assassination* breaks down how decisions in the days that followed the assassination not only shaped how the commission reconstructed events but also helped foster the conspiracy theories that play a part in American politics to this day.
