If you love J. S. Scott and Helen Cooper, don't miss Laura Marie Altom's Shamed series! Ella Patton and Liam Stone return in *Possess*, the breathtaking conclusion to the steamy, contentious love affair that began in *Control*.

Will you marry me? Those four little words should be a dream come true. But for Ella Patton, they're the start of a waking nightmare. For despite the insatiable desire she feels for Liam Stone, marriage is out of the question—not that she doesn't want to . . . but because she can't. Liam has taught her that love doesn't need a document to secure commitment. Marriage is more than a piece of paper, so why can't he be happy the way things are?

Liam has hit a brick wall. His fortune can't buy Ella's freedom, though that won't stop him from having her. Liam didn't become a billionaire by not pursuing what he wanted. Together they face the demons from her past, but above all they have one force greater than money and influence on their side: love. Will that be enough for them to overcome the obstacles and possess the life they both long for as husband and wife?
