## **South Africa's Greatest Batsmen** Ali Bacher, David Williams

South Africa has produced some of the best batsmen in the world, with AB de Villiers and Hashim Amla dominating the recent ICC rankings. Previous teams and generations have included their own legends. But who are the greatest of them all? Following the success of their book *Jacques Kallis and 12 Other Great South African All-rounders*, Ali Bacher and David Williams now turn their attention to South Africa's top batsmen. The book features early legends such as Herby Taylor and Dudley Nourse; the world-beating Graeme Pollock and Barry Richards, whose careers were cut short by isolation; the unshakeable Gary Kirsten and Jacques Kallis, who built the foundation of the Proteas' postisolation success; the big-scoring captain Graeme Smith and his South African-born England counterpart Kevin Pietersen; and the swashbuckling Hashim Amla and AB de Villiers, who dominate the current game. It also considers two players who, but for apartheid, might have been their equals in the Test-match arena. *South Africa's Greatest Batsmen* provides fascinating insights about each man's background and career, his batting technique, and his main achievements at the crease. Based on new interviews, the book will take the reader down memory lane as former and current players reminisce about their most important innings, the bowlers they most feared and the teammates they most respected. Written by cricket legend Ali Bacher and top journalist David Williams, this is a book that no cricket fan can be without
