Salman Rushdie

The Ground Beneath Her Feet: A Novel Salman Rushdie

Salman Rushdie's most ambitious and accomplished novel, sure to be hailed as his masterpiece.

At the beginning of this stunning novel, Vina Apsara, a famous and much-loved singer, is caught up in a devastating earthquake and never seen again by human eyes. This is her story, and that of Ormus Cama, the lover who finds, loses, seeks, and again finds her, over and over, throughout his own extraordinary life in music. Their epic romance is narrated by Ormus's childhood friend and Vina's sometime lover, her "back-door man," the photographer Rai, whose astonishing voice, filled with stories, images, myths, anger, wisdom, humor, and love, is perhaps the book's true hero. Telling the story of Ormus and Vina, he finds that he is also revealing his own truths: his human failings, his immortal longings. He is a man caught up in the loves and quarrels of the age's goddesses and gods, but dares to have ambitions of his own. And lives to tell the tale.

Around these three, the uncertain world itself is beginning to tremble and break. Cracks and tears have begun to appear in the fabric of the real. There are glimpses of abysses below the surfaces of things. The Ground Beneath Her Feet is Salman Rushdie's most gripping novel and his boldest imaginative act, a vision of our shaken, mutating times, an engagement with the whole of what is and what might be, an account of the intimate, flawed encounter between the East and the West, a brilliant remaking of the myth of Orpheus, a novel of high (and low) comedy, high (and low) passions, high (and low) culture. It is a tale of love, death, and rock 'n' roll.

From reader reviews:

Jamie Sparks:

Book is actually written, printed, or highlighted for everything. You can recognize everything you want by a book. Book has a different type. As you may know that book is important factor to bring us around the world. Beside that you can your reading ability was fluently. A e-book The Ground Beneath Her Feet: A Novel will make you to end up being smarter. You can feel considerably more confidence if you can know about every thing. But some of you think this open or reading a book make you bored. It is far from make you fun. Why they can be thought like that? Have you looking for best book or suitable book with you?

Peggy Elmore:

What do you concerning book? It is not important together with you? Or just adding material when you really need something to explain what you problem? How about your spare time? Or are you busy particular person? If you don't have spare time to complete others business, it is make you feel bored faster. And you have extra time? What did you do? Everybody has many questions above. They have to answer that question mainly because just their can do that will. It said that about guide. Book is familiar on every person. Yes, it is correct. Because start from on pre-school until university need this specific The Ground Beneath Her Feet: A Novel to read.

Helen Williams:

People live in this new moment of lifestyle always make an effort to and must have the extra time or they will get large amount of stress from both way of life and work. So , whenever we ask do people have extra time, we will say absolutely yes. People is human not really a robot. Then we request again, what kind of activity are there when the spare time coming to anyone of course your answer will unlimited right. Then do you ever try this one, reading guides. It can be your alternative inside spending your spare time, typically the book you have read is usually The Ground Beneath Her Feet: A Novel.

Raul Miller:

Playing with family inside a park, coming to see the sea world or hanging out with pals is thing that usually you have done when you have spare time, then why you don't try thing that really opposite from that. One particular activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love The Ground Beneath Her Feet: A Novel, you may enjoy both. It is excellent combination right, you still wish to miss it? What kind of hang-out type is it? Oh occur its mind hangout people. What? Still don't obtain it, oh come on its identified as reading friends.
