The Lipstick Laws Amy Holder

At Penford High School, Britney Taylor is the queen bee. She dates whomever she likes, rules over her inner circle of friends like Genghis Khan, and can ruin anyone's life with a snap of her perfectly manicured fingers. Just ask the unfortunate few who have crossed her.

For April Bowers, Britney is the answer to her prayers. April is so unpopular, kids don't know she exists. One lunch spent at Britney's table, and April is basking in the glow of popularity.

But Britney's friendship comes with a high price tag, and April decides it's not worth the cost. Inspiring and empowering, this is the story of one girl who decides to push back.
