## Wrong Place, Right Time (The Bourbon Street Boys) Elle Casey

Jenny's single-parent life revolves around her kids and her job, which means that hours of Animal Planet and strings of computer code are about all she has time for. Not that Jenny's looking for adventure *or* romance—she's the type of woman who believes in playing it safe.

When Jenny is called upon to do some consulting for the Bourbon Street Boys—a New Orleans private security firm—she knows she should stay away. They conduct surveillance on known criminals and put themselves in harm's way pretty much every day, so *No* is the obvious answer...Problem is, there's a guy on the team with a body to die for and a dimple that just won't quit luring Jenny in, tempting her to throw all caution to the wind.

Will Jenny take the risk or will she do what she's always done—play it safe and wait for the right time?
