"The new girl in Sunnydale, by all appearances, is your typical sweet, intelligent high-school senior, except for one thing--the crowd she runs with! She hangs out with more punks and delinquents than in juvenile hall, yet Buffy still finds something . . . different about her. This digital issue also includes the special ""Play With Fire"" Buffy Summers has a mission in life: save the (relatively) innocent denizens of Sunnydale from the forces of evil. Sounds kinda hard, doesn't it? Well, Buffy makes it look easy!"
