BOOK #1: Emotional Intelligence: Great Tips and Suggestions on How to Improve Your Emotional Intelligence and Take Control of Your Life

Emotional Intelligence: Great Tips and Suggestions will walk you through the process of using the correct emotions at the right time and keeping them within the proper boundaries that will improve the quality of your life, rather than confuse and bog down your life. Emotional Intelligence: Great Tips and Suggestions is not a “new age” book wherein the primary exercise is to stare at a blade of grass and become one with it.

This book provides:

- Real time tools to help you take control of literally every aspect of your life through increasing your Emotional Intelligence.
- What Is Emotional Intelligence?
- EQ Professional Application
- EQ Personal Application

BOOK #2: Critical Thinking: Think Clearly and Logically! Make Smart Decisions Using This Simple Guidance

Have you ever wondered what it would be like to think like a scientist or a mathematician? Perhaps you look up to those around you who seem to always have it together when there's a problem, and they always seem to have the answers? Thinking critically and logically is a complex process that's more than just looking at a few facts and coming up with a conclusion. It's about thinking outside of the box and looking at the answers that may not have seemed like a possibility at first. This thinking style can be very helpful in our everyday lives, as well as in our professional lives. No matter what your career is, you can benefit from thinking logically and critically.

In this book, you will learn some of the following information:

- The science behind critical thinking and what separates it from emotional thinking.
- If, Then Statements and why they're so important.
- How to form your own opinion by using only facts.
- Eleven different critical thinking techniques.
- And several things you ought to be aware of when attempting to think critically.
