A complete history of Irish international soccer managers, from Johnny Carey to Giovanni Trapattoni. Did you know that an Irish manager did not pick the Irish football team until 1969? Including over 55 personal interviews from the key personalities and the people who knew them best, this book gives a long overdue insight into what it's like to be the manager of the boys in green.

For lovers of statistics (and there are plenty!), the book lists results for all the managers during their time in charge as well as their win/loss ratio, so we can finally decide who was the greatest manager Ireland ever had....
