How to Write for University: Academic Writing for Success Kathleen McMillan, Jonathan Weyers

Undertaking a writing project for assessment can be a challenging prospect for students of all disciplines and especially those new to academic writing in higher education. The unique 12-step approach in this book leads students through the different stages that apply to any form of academic writing - gathering relevant information, processing that information through effective planning, creating the text and developing writing for future assignments including exam writing. The authors follow their tried-and-tested Smarter Student series approach to deliver timely, practical, hands-on guidance based on real-life experience from teaching and assessing students' writing.

How to write for university – academic writing for success is an invaluable tutorial and reference for any student approaching university writing assignments.
