La rana viajera (Spanish Edition) Julio Camba

MI NOMBRE DE CHARCA... Hará siete u ocho años. El director de un periódico donde yo trabajaba me metió algunos billetes en el bolsillo y me mandó a París. Mis artículos de entonces, como los que más tarde escribí desde otras capitales, tenían la pretensión de estudiar experimentalmente el carácter nacional, pero el único sujeto de experimentación que había en ellos era yo mismo. Yo estoy en mis colecciones de crónicas extranjeras como una rana que estuviese en un frasco de alcohol. El lector puede verme girar los ojos y estirar o encoger las patas a cada momento. Lo que parecen críticas o comentarios no son más que reacciones contra el ambiente extraño y hostil. Yo he ido a París, y a Londres, y a Berlín, y a Nueva York con una ingenuidad y una buena fe de verdadero batracio. Y si lo que quería mi director era observar el efecto directo de la civilización europea sobre un español de nuestros días, ahí tiene el resultado: una serie constante de movimientos absurdos y de actitudes grotescas. Mientras he estado en el extranjero, yo he tenido un punto de referencia para juzgar los hombres y las cosas: España. Pero esto era únicamente porque yo soy español y no porque España me parezca la medida ideal de todos los valores. Ahora, y para hablar de España, me falta este punto de referencia. Forzosamente haré comparaciones con otros países. Y no sólo resultará que España no puede ser un modelo para las otras gentes, sino que no sirve apenas para los mismos españoles. La rana encontrará su charca muy poco comfortable. ESPAÑA REENCONTRADA
