Can true love be built on lies? A teen on the run seeks relief and redemption in this gripping, “compulsively readable” (*School Library Journal*) romantic read that *Kirkus Reviews* calls a “marvelous debut, moving and suspenseful.”

Leah Kurtz has finally found a place to call home, a town where she and baby Addy can live in peace, far from the drug-infested place she grew up. Chris is one of the best parts of her new life, the only person who’s ever made her feel safe. And now that she’s found him, there’s no way she can tell the truth:

Her real name is Faith, not Leah. She’s seventeen, not nineteen. And the baby isn’t hers—Faith kidnapped her.

Faith’s history catches up with her when a cop starts asking questions and Chris’s aunt spots her picture in the newspaper. She knows it’s time to run again, but if Faith leaves, she’ll lose Chris. If Chris is in love with a lie, though, did Faith ever really have him in the first place?

The inside or content is definitely fantastic as the outside or even cover. Your reading sixth sense will directly make suggestions to pick up this book.

Grace Smith:

This Leap of Faith is great publication for you because the content which is full of information for you who have always deal with world and possess to make decision every minute. That book reveal it facts accurately using great plan word or we can claim no rambling sentences in it. So if you are read that hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but difficult core information with attractive delivering sentences. Having Leap of Faith in your hand like finding the world in your arm, info in it is not ridiculous one particular. We can say that no publication that offer you world throughout ten or fifteen second right but this publication already do that. So , this is certainly good reading book. Heya Mr. and Mrs. stressful do you still doubt that will?

Mary Adams:

As a university student exactly feel bored to reading. If their teacher questioned them to go to the library or even make summary for some book, they are complained. Just little students that has reading's internal or real their hobby. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that reading through is not important, boring along with can't see colorful photographs on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Leap of Faith can make you experience more interested to read.
