Rudi Koertzen

Slow Death: Memoirs of a Cricket Umpire Rudi Koertzen

For 30 years, batsmen around the world have feared the slow and deliberate way Rudi Koertzen raises his left arm to give them out - so much so that it has given rise to his nickname, Slow Death. Despite the sinister sobriquet, Rudi Koertzen remains one of the most loved and respected umpires in world cricket, and certainly one of the most experienced: to date, he is the only umpire to have stood in 200 One Day Internationals, and he has 100 Test matches under his belt.

Now Rudi takes the reader back to some of the highlights of his career in Test, ODI and T20 matches, including several World Cups and Ashes series. From his unique perspective, he rates the cricketers he has umpired over the years - the best batsmen, bowlers and fielders - and gives reasons why they stand out from other players. He shares players' hilarious on-field antics and, on occasion, histrionics. And he doesn't shy away from discussing the controversial side of international cricket, from match fixing to terrorist attacks, while giving his frank and possibly controversial views on the use of technology in the game.

Humorous, informative and nostalgic, this is the book every cricket fan will want to own.
