## **The Ballad of Trenchmouth Taggart** Glenn Taylor

Meet Trenchmouth Taggart, a man born and orphaned in 1903, a man nicknamed for his lifelong oral affliction. His boyhood is shaped by the Widow Dorsett, a strong mountain woman who teaches him to hunt and to survive the taunts of others. In the hills of southern West Virginia, a boy grows up fast. Trenchmouth sips moonshine, handles snakes, pleases women, and masters the rifle—a skill that lands him in the middle of the West Virginia coal wars. A teenaged union sniper, Trenchmouth is exiled to the back-woods of Appalachia's foothills, where he spends his years running from the past. But trouble will sniff a man down, and an outlaw will eventually run home. Here Trenchmouth Taggart's story, like the best ballads, etches its mark deep upon the memory.
