Connecting Dots (A Gutsy Girl Book) Sharon Jennings

After years of being passed around to various relatives, Cassandra Jovanovich has found a home where she feels she belongs. All she wants to do is forget her past and pursue her dream of becoming an actress. But her new friend, Leanna Mets, "the most annoying person she has ever met," wants to know how Cassandra became an orphan, and encourages her to write her story. Cassandra's memories reveal how the death of her grandmother and the cruelty of the other adults in her life turned her into the distrustful, secretive twelve-year-old she is. But with friendship and the courage to continue her dream of acting, Cassandra might find a way to connect the dots in her life back together.
