Knowledge Solutions: Tools, Methods, and Approaches to Drive Development Forward and Enhance its Effects (ESA BR) Olivier Serrat

A competency approach befits knowledge management and learning. Knowledge Solutions are handy, quick reference guides to tools, methods, and approaches that propel development forward and enhance its effects. They fit in five comprehensive areas: (i) strategy development, (ii) management techniques, (iii) collaboration mechanisms, (iv) knowledge sharing and learning, and (v) knowledge capture and storage. In general, raising organizational performance is contingent on progress in all five areas; however, the Five Competencies Framework can also help determine priorities for immediate action by selecting the area that will yield the greatest benefits if improved. Knowledge Solutions will appeal to the development community and people interested in knowledge management and learning.
