The next generation hungers for strong, visionary, ethical, and passionate leaders. Where do we start in this day where we lack leadership at all levels? The authors of this breakout book contend that leaders of tomorrow are among us, but they need to be identified, trained, and empowered. John M. Perkins casts the biblical vision that has started a movement. Wayne Gordon has rolled up his sleeves at the grassroots level to spark the transformation of a Chicago neighborhood. Together (and with friends) they founded the Christian Community Development Association. Now they put in this book the stories and lessons of discovery, growth, mistakes, success, and lives changed. They are ready to hand batons of leadership, especially for poor and under-resourced communities, over to the next generation. With this book, they do just that!
