“I can see that *Scripture Study for Latter-day Saint Families* will be a great resource to instill a love for the scriptures in my children (as well as myself). I love the variety it provides. I love how simple it is but yet fun. I love that preparation time is minimum which means my daughter can be in charge as we rotate assignments. I love that it explores the scriptures verse by verse and lets us dwell on what we can take and learn and use in our daily lives. I can see my family and myself learning lots. “The scriptures are now coming to life for my children. The ideas and applications presented have guided us to many discussions on applying the scriptures to situation in our lives, which is exactly what I've wanted my children to learn.”

“We have seen our children share their feelings, thoughts, and testimonies through our discussions. They are participating gladly, which is a miracle in itself. In fact, one of our teenagers recently said, 'It is like having family home evening every night!'
