The Overseer

Jonathan Rabb

The Overseer Jonathan Rabb

A debut thriller of global intrigue and political conspiracy In the summer of 1531, Medici soldiers, working for Pope Clement VII, tortured to death an obscure Swiss monk, Eusebius Eisenreich. What Eisenreich would not reveal was the location of a simple manuscript, On Supremacy, that far surpassed anything imagined by Machiavelli. The Pope never found the manuscript. This deadly document is at the heart of The Overseer. It has fallen into the hands of a cabal intent on ripping apart society as we know it and creating the terrifying new world order described in the manuscript. A facsimile of Eisenreich's disturbing document has been reprinted in this book.
