The Unsettled Dust

Robert Aickman

The Unsettled Dust Robert Aickman

Aickman's 'strange stories' (his preferred term) are constructed immaculately, the neuroses of his characters painted in subtle shades. He builds dread by the steady accrual of realistic detail, until the reader realises that the protagonist is heading towards their doom as if in a dream.

***The Unsettled Dust* was first published as a collection in 1990. Aickman received the British Fantasy Award for 'The Stains'.**

'We are all potential victims of the powers Aickman so skilfully conjures and commands.' Robert Bloch
