This Side of the Grave: A Night Huntress Novel Jeaniene Frost

Danger waits on both sides of the grave.

Half-vampire Cat Crawfield and her vampire husband Bones have fought for their lives, as well as for their relationship. But just when they've triumphed over the latest battle, Cat's new and unexpected abilities threaten to upset a long-standing balance . . .

With the mysterious disappearance of vampires, rumors abound that a species war is brewing. A zealot is inciting tensions between the vampires and ghouls, and if these two powerful groups clash, innocent mortals could become collateral damage. Now Cat and Bones are forced to seek help from a dangerous "ally"—the ghoulish queen of New Orleans herself. But the price of her assistance may prove more treacherous than even the threat of a supernatural war . . . to say nothing of the repercussions Cat never imagined.
