## A Kiss in Time Alex Flinn

Talia fell under a spell . . . Jack broke the curse.

I was told to beware the accursed spindle, but it was so enchanting, so hypnotic. . . .

I was looking for a little adventure the day I ditched my tour group. But finding a comatose town, with a hot-looking chick asleep in it, was so not what I had in mind.

I awakened in the same place but in another time—to a stranger's soft kiss.

I couldn't help kissing her. Sometimes you just have to kiss someone. I didn't know this would happen.

Now I am in dire trouble because my father, the king, says I have brought ruin upon our country. I have no choice but to run away with this commoner!

Now I'm stuck with a bratty princess and a trunk full of her jewels. . . . The good news: My parents will freak!

Think you have dating issues? Try locking lips with a snoozing stunner who turns out to be 316 years old. Can a kiss transcend all—even time?
