Something evil...

To save his failing marriage, Jim Anderson moves his family to Prairie Rest, Wisconsin where he has bought a house that is in dire need of repair. Thinking restoring the home with his wife, Diane, will mend their shattered relationship, he soon discovers he's purchased more than just a parcel of land and an old building.

In the woods on his property is a cave where evil lives; and after a series of tragic events, Anderson knows that to insure his survival, as well as the town's, he must join forces with the town elders. Armed with the tools of the Lord, the group enters the place where evil dwells and the battle between good and evil begins.
